Dave

I'm out of the office the rest of this week, but Andrea can assist you with the attorney sign-off.

Thanks!

Mark

HQ is directing me to have the records center load 2 Columbia Falls Aluminum documents into SDMS to support web publication of those documents. The documents are related to the fall 2016 FR NPL update. It is very likely you have already concurred on them, or possibly delegated review of them.

The documents are:

Resource Type	Title
NPL Site Listing Narrative	NPL Site Listing Narrative
NPL Listing Support Document	NPL Support Document

I have asked that R8 be provided the documents for attorney review as part of our normal SDMS entry process. I am not sure if HQ will give us anything before the documents are provided for SDMS upload. I'll have the records center proceed with HQ request with upload with completion by Friday in any case.
